

St. Anselm Parents,

We would like to thank everyone who contributed to make this year's Festival of Fun the most successful one to date. We are especially grateful to the following individuals for their tireless work making sure all facets of the Festival went smooth: Maureen Larson ran an amazing café, Bee Tan and Kerry Duff staffed, ordered prizes and set up booths, Joanne Davantes managed spreadsheets and emails supporting the staffing, Kelly Willrich and Suzanne Gilley kept the local dentists in business with their Sugar Shack, Susan and David Andrews provided amazing bands once again with the help of the coordination of John Arens, Karen Cassidy covered sponsorship, Paulette & David Duysen provided all promotional flyers along with Jill Cincebeaux, who helped with the graphics, Colleen Malet and Paulette Duysen facilitated the ticket pre- sales and Matthew McGrath and Kevin Berry spent the day manning the BBQ.

Additionally, the following individuals/families stepped up with even more help by taking on the responsibilities of various booths: The Carmichaels, The Dawson's, The Lowengart's, The Mancini's, The Robertson's, The Conway's, The Petersons, The Tornga's, Cathy Arens , Amanda LaRocca, Shelly Vorhees, Kathy Slane, Katie Driscoll, Katie Knopf, Susan Jordan and Janet Bell.

For the second year, Joanne Davantes, Niki Couch, Craig Egan, Dan Young and Tom Finn created a Shrieking Shack that scared hundreds. Thanks go out also to the Booster contingency for help with setup and takedown on Friday and Sunday along with the Advisory Board members for double shifts in the ticket booth.

We would like to once again recognize Paul and Kathleen Thompson for the incredible contribution they continue to make to this event. They are still a very active part in making sure this event is a success each year. Finally, thank you to Mrs. Steele, Mrs. Giurlani, Father Healy and all of the St Anselm Teachers and Staff for opening the school to our families, friends and neighbors.

Chris and Kassie Livermore
